

# REVOLUTIONISING DIGITAL EDUCATION

At Lenovo, we believe that you need the right devices to help you impart knowledge. That's why, as the No.1 education PC supplier, we bring you ThinkPad Yoga, ThinkPad X240, ThinkPad X1 Carbon, ThinkPad 11e Chromebook, ThinkPad Yoga 11e and ThinkPad Tablet 10, custom built for an educational environment. Needless to say, these products will help you keep your students inspired.

## ThinkPad 10

A tablet that provides PC like performance.  
Intel® Atom™ Processor (Touch & Pen)

## ThinkPad Yoga

A multimode convertible designed for faster learning.  
Intel® Core™ i3, i5 & i7 Processor  
(Touch & Pen)

## ThinkPad Yoga 11e

Comes with four useful modes, yet sacrifices none of the series' durability.  
Intel® Celeron® (Touch) & Intel® Core™ M Processor (Touch & Pen)

## ThinkPad X1 Carbon

Professional redefined, it's our thinnest and lightest 14" Ultrabook™.  
Intel® Core™ i5 Processor

## ThinkPad X250

Ultra-mobile without sacrificing ports, connectivity or durability.  
Intel® Core™ i5 Processor

## ThinkPad 11e Chromebook

Performance of an Ultrabook™ convertible with the mobility of a tablet.  
Intel® Celeron® (Touch option)

We're the NO.1 selling PC brand for education in the world
